Hassle-Free Implementation

Simply start ordering your can liners from Revolution today! Invisible change to your staff/customers

So, How Are Our Liners Made?

Revolution diverts used plastic film that's headed to landfills and recycles it into high-quality can liners

Manufacture blown film products

Collect used film and divert it from the waste stream

Recycle the film into certified 100% PCR

Make RevBag can liners for you!

Let Our Team of Experts Help Create a Customized Solution for All Use Areas - Inside and Out

We offer a broad selection of liners to accommodate all c-store use areas. Through our site audit process, we will help you identify the right fit to maximize performance for your business. Our [FREE Store Audit and Environmental Impact Analysis](#) can show how you will reduce your waste starting from day one.

RevBag Liners Are Ideal For All High-Traffic Use Areas:

Pump Stations | *Ability to handle anything and everything*

- A selection of heavy duty liners that can hold up to 200lbs
- Liners can be used for dry or wet refuse - giving peace of mind when customers empty their car
- Holds strong against all liquids, including oil

Store Fronts | *Clean appearance that performs*

- A selection of heavy duty liners that is ideal for mixed refuse and heavy content
- Right-fit sizing provides clean image for store front
- Heavy duty - hold all types of refuse and liquids

Public & Private Washrooms | *Sanitary & clean appearance*

- A range of liners that can accommodate from light to heavy mixed refuse
- Right-fit sizing provides clean image and enhances washroom cleanliness
- Drawtape option offers easier than ever change out

Quickserve Food & Beverage | *Clean appearance to be food-friendly*

- Right-fit sizing for smaller receptacles
- Ideal for light duty refuse
- Provides clean, sanitary image for in-store dining

Coffee Kiosks | *Ability to handle food & beverage waste*

- Assorted options for medium size receptacles
- Ideal for everything from light refuse to heavier, wet coffee grounds
- Provides clean, sanitary image for coffee customers
